Percent satisfied with school-home relations	93.0%	85.9%	97.1%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Dear Parents and Community Members,

The staff, students, and parents at McLaurin Elementary are proud of the progress we have made this year. McLaurin students continue to improve academically and we continue to see the attendance rate for students and teachers increase. McLaurin received an average rating on the School Report Card for the 2010-11 school year.

We are proud of the many accomplishments we made during the last year which include: Our teachers continued extensive professional study sessions this year with a focus on building community in the classroom and with our parents. We provided after school tutoring for 52 students. Early intervention was provided to students needing additional instruction in reading. Our students, staff, and parents walked over 20,000 miles this year during our walking program. McLaurin students read over 60,000 books this year. Our school was recognized as a Silver Award winner by the State Department of Education for improved academic success on the state assessments.

Our staff is dedicated to providing our students with a strong academic program enhanced with an equally strong focus on character. Daily communication with our parents through student agenda books is a means to keep parents informed and involved in their child's education. In addition to the agenda book communications, teachers provided good news messages to all students throughout the year. Our school also held two additional conference days to allow our parents more opportunities to be involved.

We are extremely fortunate to have a strong component of community involvement at McLaurin. Our Terrific Kids program is sponsored by a local Kiwanis club. Our school is actively involved with the Faith Based Support Initiative. We have several area churches that have adopted our school and provide encouragement and support to our school family. These churches provide an after school Bible Club for students. These churches also provide mentors and tutors who work with our students during the school day. Our school is also a member of the National Network or Partnership Schools which encourages family and community involvement.

McLaurin's Association of Parents (APT) and our School Improvement Council are vital to the success of McLaurin. Our APT raised funds to offer financial support for the overall program at McLaurin. Our School Improvement Council and APT focus for this year was increasing parental involvement and making improvements to our playgrounds. We continue to have strong parental involvement in meetings, conferences, and other events offered at our school. This year the projects included new play structures on the kindergarten playground as well as picnic tables and umbrellas on our primary playground. McLaurin is a community where expectations are high, and everyone is encouraged to be a lifelong learner.

Deborah Cribb, Principal
Jay Terry, School Improvement Council Chairperson
